TURN KEY PROJECT MANAGEMENT

THE CHALLENGE - design a cost effective corporate office for PKG Associates, a LI real estate development company, that reflects their space requirements and unique image.

THE SOLUTION - a few creative design details placed in key locations:

- columns
- platform with oak flooring
- french doors and hardware
- soffits

RESULTS - a gourmet space at fast food prices

If you are planning a move or would like to redesign your current space, call William Allison Design Associates, full service interior specialists, for a complimentary, professional assessment of your office design needs.
